

Lake Lotawana Association, Inc.

Owner/Member Designation Form 2021

At the Association office, we are constantly trying to keep up with the latest contact information for our owner/members. Too often, we try to tell an owner that something has happened at their property and we find the address or telephone number is no longer valid.

Please provide the requested information below and return it to the office as soon as possible. This data must be on file before you can register your watercraft.

Our rules require that one person in each household be designated as the responsible party for all properties owned. The rules also require a landlord to file a rental form with the office to provide basic notice of each rental unit. Thank you for providing this information.
